

Congratulations, Chairman Grassley

Over the past month chairing the Senate Judiciary Committee has been the toughest job in Washington.

But Senator Chuck Grassley has made Iowa proud — helping confirm Justice Brett Kavanaugh to the Supreme Court with a bipartisan majority.

Chairman Grassley showed true leadership by holding fair and open hearings that focused on facts, not shameful and wild smears from far-left "journalists" and attention-hungry lawyers.

Senator Grassley stood up to pressure from both parties to pursue truth and justice, while showing compassion to sincere witnesses like Dr. Ford.

Job well done, Mr. Chairman.

Thank You, **Senator Grassley.**
